Mission

The Law Division and the Office of the City Attorney mission is to provide legal advice in all matters, opinions, claims service, contract review and compliance support and legal representation on behalf of the City of Memphis, various divisions, agencies, boards, and commissions

Structure

Services

The City Attorney's Office defends and prosecutes litigation on behalf of the City in all lawsuits filed in all courts, agencies or commissions. It provides advice and counsel on municipal processes to ensure compliance with the City Charter, State and Federal laws. It provides legal research, opinions, and advice to all divisions of the City government. It provides advice and counsel regarding ordinances, resolutions, agreements, contracts and other legal documents. The Claims Office receives, investigates, processes and resolves third-party claims filed against the City of Memphis and tracks and monitors lawsuits filed against the City. The Risk Management Department identifies, plans, implements, and monitors exposures to losses in order to alleviate or reduce the amount paid which ultimately preserves and protects the City's financial assets. The Office of Grants Compliance provides comprehensive oversight of all City grants to ensure compliance and the proper administration of federal, state and private grant funds, identifies grant opportunities and provides assistance to all city divisions with the processing of grant applications. The Permits Office bills, collects and issues permits as mandated by controlling ordinances, monitors permit holder compliance with city ordinances and state law, and serves as the administrative office for both the Alcohol Commission and the Transportation Commission. The City prosecutor represents the City in City Court proceedings and prosecutes misdemeanors, traffic tickets and citations issued for violation of the City Code of Ordinances. The Ethics Office functions in accordance with Chapter 2-10 Code of Ethics for City Officials and any Executive Order from the Mayor
